## Dear Parents and Carers,

Congratulations to our year 6 students who have worked very hard this week and have completed their SATs exams. After a short rest, it has been back to work on their writing! We'd like to thank all of the staff for their dedication and parents for their support this week.

## Year 3 visit Ancient Egypt!

Year 3 finished their topic of 'Ancient Egypt' with a visit to an exciting exhibition at The British Museum! They had already learnt all about how people lived in Ancient Egypt and now they had a chance to see amazing Egyptian mummies and tombs. It was a great way for the Year 3 children to become real historians and examine all the amazing artefacts on offer at the museum.

## School Closed

Please note that school will be closed on Thursday 8th June as the school will be used as a polling station for the General Election.

## Morning Drop Off

Please remember that children are their parents and carers' responsibility before school until they come into the classroom for registration. Children can come into class for soft start between 8.45 and 9am.

## Staff leaving

We have some members of staff leaving us at half term and we wish them all the very best for their future ventures. Connor Haynes is leaving for Canada and Thomas Hau is taking up a post as a Sports Psychologist. Sandra Johnson is also moving on and would like to thank all the parents who supported her in the innovative Behaviour Policy that is now a positive part of the school. She especially enjoyed the Parents Workshops and the ideas that were shared. She has grown so much throughout this year and would like to say a big "Thank You" to all staff and students for making her time here successful. She wishes the school all the best for the future.

## Core Value House Points

The 26th of May is the last day of this half term and it will be non-uniform for one or more Core Value House. Please check your text messages for the winning house.

## Email addresses please!

We would love to be much "greener" and email you this newsletter. Please send in your email addresses to the office.

As always, if you have any questions, please do not hesitate to ask a member of the school staff who will be happy to help.

Best wishes, The Senior Leadership Team
