Year 2 had a wonderful time at the V and A Museum of Childhood

Dear Parents and Carers,

Year 2 visit the Museum of Childhood

Year 2 went on a trip to the V&A Museum of Childhood this week. They loved the chance to play with some toys and games including things from the past. Some of their favourite activities included riding a rocking horse, playing in the sand pit, playing with dolls houses and building blocks, dressing up, using a thaumatrope and enjoying the sensory area. They also went to workshop where they learnt about toys and games from the past and had a go at playing some of these games. Every child made their own wooden toy during this workshop which they brought back to school. The children were superbly behaved throughout the trip and will be using this learning throughout their magic toymaker topic over the coming weeks.

Chess Club trip to Olympia

Our Chess Club players went to the National Chess tournament this week and had a fantastic time. They took part in the competition and Amari Brown from Giraffe class earned a Silver medal! They each took away a goody bag funded by the National Chess Charity.

We are very grateful to Ms Berndes for taking the trip, and Lucy

Churchfield Winter Fair

We are opening the doors at 3.30pm next Thursday to this winter wonderland! Please pick your children up as usual and wait at the double entry doors in the KS2 playground or the entry door in the KS1 playground. There will be lots of stalls, food, music, a chance to visit Santa in his grotto and don't forget to buy a raffle ticket or two to win prizes from Harrods! Thank you to everyone who has brought in a jazzy jar- keep them coming. It's not too late to volunteer to help out. Please contact Lucy Georgiou or Elliot Plumb through the school office if you can offer some time.

We can't wait to see you there!

As always, please speak to a member of staff if you have any questions.

Best wishes,
The Senior Leadership Team
