## Dear Parents and Carers,

Welcome back to the spring term and to 2018!

We are looking forward to lots of events this term, including our Science week and "Come Learn with me" session. We have already enjoyed the Panda Class assembly this week, and the Bedtime stories (and hot chocolate!) with our Early Years team.

### Panda Class assembly

Thank you to Panda class for a lovely assembly. Your parents

and carers were very impressed with the learning that you have been doing and all your hard work. Very well done!

### Parent Survey Results

We are really happy with the recent results of the parent survey. 97% of you think that your child is making good progress and and that you receive valuable information about their learning. 98% of you think that your child is happy and there is a big increase in how many of you feel that children's behaviour has improved. 89% of you would now recommend our school to other parents. Of course, we would love all of these results to be 100% and we value your input. Please keep talking to us and offering your suggestions.

### Book bags

We are grateful to parents for ensuring that children are bringing book bags to school rather than rucksacks/backpacks. Bulky bags mean that coats litter the floor and cause a fire and safety hazard. This was commented on during our recent fire safety training and of course, we want to ensure that our school

## Achievement Awards

(All bronze certificates unless stated)

Reception: Ueslin, Yasin, Yasmin,  
Zerya, Zabiullah, Afryea, Umut,

Ogulcan,  
Year 6: Damla, Surayyah, Bentley,  
Jayden, Yezda, Londrit

## Always Medals

Samuel, Al, Georgia,  
Elijah, Selvin, Dylan

## Behaviour Workshop

Questions about how we deal with behaviour? Want to know more about how and why we use yellow slips? Join us for a behaviour workshop in the junior hall at 9.00 on Thursday 18<sup>th</sup> January where we will be more than happy to answer any questions you have and share with you our vision for behaviour at Churchfield.

## Bikeability

Well done to the year 4 children who took part in the Level 1 course this week. They worked hard on their cycling skills and the instructors were very impressed with their determination.

is as safe as possible. If corridors are dangerous, then we will put rucksacks into a room and children will have to pick them up from there at the end of the day. Many thanks in advance for your cooperation.

## Year 5 Are Scientists!

On Monday year 5 investigated the stream area and park surrounding Churchfield School. This was in order to begin our new IPC topic Roots, Shoots and Fruits. During the afternoon walk, along the stream, the children used iPads to record their findings and collected evidence to be researched back in class. Although it was very cold the children had a great afternoon and are now all very excited to begin their new topic.

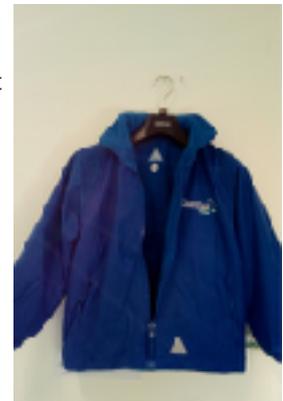

## Waiting for spring to come...

Clockhouse Nursery in Forty Hall kindly donated some daffodil bulbs to us. On Tuesday afternoon, Jaguar class planted the bulbs along the edge of the field. The class will be monitoring the growth of the flowers over the next few weeks and we are looking forward to seeing them bloom in the late Spring.

## School jackets for sale!

We have some of these for sale in various sizes for £12 each. Please ask at the school office for details.

## Attendance awards

We have awarded 160 certificates for 100% attendance during the autumn term. That's a fantastic number! Well done to all those children who received one.

## Clubs

We have some exciting new clubs starting this term, including a song writing and music performance group. Please look out for letters in your children's book bags. We will publish a full list in the next newsletter.

As always, if you have any questions, please contact us.

Best wishes,  
The Senior Leadership Team
