Dear Parents and Carers,

We have been having a fantastic week of science and the children are buzzing with their new learning!

Science Week Wizards

Mrs Canham writes: As part of Science week, the Science Wizards visited us for the day and amazed us with a Wow assembly and some fabulous workshops. We explored different kinds of forces and everyone had a great day. All of the activities used every day materials so that we can copy them at home! Thank you also to all the parents and carers who came along yesterday afternoon and joined in with some of our science week experiments.

Children will be dressing up so watch this space!
