Dear Parents and Carers,

Well- the best laid plans for World Book Day and Parent Consultation day were prevented by the snow! We are now holding our World Book Day event on Monday 12th March and this will include dressing up and the tea parties as originally planned. Please arrange to speak to your child's teacher at a time that is convenient for you both during this half term. We hope that you stayed safe and warm during the icy weather.

Our new school parliament say hello!

School Parliament news

Hello, we are the new School Parliament and this year we want to make sure that all children's voices are heard. Watch out for our exciting posts each week!

This week, we have been busy decorating a pupil voice box for our classrooms that will enable all children to offer suggestions or make comments on how we learn at school. We are excited to be introducing these boxes to our class mates.

Class and Sibling Photographs

The photographers are back in school Tuesday 13th March 2018. We have decided to opt for a drop in service for our sibling photographs this year, giving you the opportunity to

Always Medals

Maliyah, Zara, Jamie,
Mona, Lucas, Yusuf,
Kuba, Theodore,
Tanisha

bring younger siblings not in school to be included in your picture, as well as all your children who attend Churchfield. Please see information below:

Sibling Photographs

A drop in service before and after school in the Junior Hall will be in place for you to bring your children and **younger siblings** to have a photograph taken. It will be **parents responsibility** to bring your children to the drop in service as sibling photographs will **NOT** be taken during the school day, only at the following drop in times:- 8.00 – 8.30am and 3.15 – 4.00pm.

Class photographs will be taken during the school day as normal. Please ensure your child is wearing full smart school uniform.

Parent Team

When we take the children on trips outside of the local area, their safety is our major concern. As a result, we would like to train a small group of parents/carers to offer this high level of safeguarding support. Parents/carers should be free during the day to come on these trips with classes, not necessarily when your own child is on the trip. We would then call on this group to come with us on trips to ensure that the highest level of safeguarding is provided to all children on every trip. If you are interested in finding out more about this, please contact Mr Plumb or Mrs May.

Science news

Welcome to a new Science section of the newsletter, giving you news, updates and investigations to try out at home! Let us know how you got on with any experiments that are featured and you might get a special mention in the newsletter. Apologies to the prize winners of the poster competition, your prize books have now been ordered and are on the way. Check out this great website: Science for families <https://nustem.uk/activity/science-for-families/> then scroll down to find lots of investigation ideas to try at home. This month, please try out 'Fingerprints'. Come and collect the full details of the activity from Mrs Canham if you can't access it on the internet. Have fun!

As always, if you have any questions, please contact us.
Best wishes,
The Senior Leadership Team
