Learning Review Day-Friday 30th Nov

Dear Parents and Carers,

A huge well done to our Year 2 and Year 6 children who have completed their SATs assessments this half term. They have worked very hard and we are proud of their positive attitudes. These children know they can't relax just yet- they now need to focus on making their writing the best it can be!

We wish all of you a happy and fun half term and welcome children back to school on Monday 4th June.

Royal Wedding Celebrations

Our nursery children thoroughly enjoyed re-enacting Harry and Meghan's big day. They dressed up, ate cake and acted out this exciting event.

Neighbourly consideration...

One of our local residents called the school to say that a car is repeatedly blocking her drive. As always, we are appealing to all of our community to be respectful and considerate when dropping children off and picking them up. Many thanks in advance.

School Parliament news

Our school parliament are currently focusing on our environment and making posters to remind every body in school to look after their surroundings. We are incredibly lucky to have such a wonderful school site and our parliament members really appreciate this.

Mathletics

We hope the weather is fantastic over half term and that you are able to get out and about. For those quiet times, don't forget to encourage your children to use their Mathletics logins. We'd love for some of our classes to make it into the Mathletics Hall of Fame!

As always, if you have any questions, please contact us.

Best wishes,

The Senior Leadership Team
