Dear Parents and Carers,

We've had a great half term and the children have been learning a huge amount. We are looking forward to getting some feedback from parents, carers and children about our curriculum and hoping to hear your contributions about what we teach at Churchfield. Please look out for a questionnaire coming to you after half term.

Year 5 visit the Maritime Museum and the beginning of time!

Year 5 had a wonderful trip to Greenwich to find out more about geography and history related to their IPC topic and the "Journey to the River Sea." They stood over the meridian line so had one foot in the East and one foot in the West. It is also where Greenwich Mean Time starts - so the children can all say that they have been to the place that everything in the world is measured from!

Class and Sibling Photographs

The photographers are back in school Tuesday 12th March 2019.

After the success last year, we will again opt for a drop in service for our sibling photographs, giving you the opportunity to bring younger siblings who do not attend our school to be included in your picture with children who attend Churchfield. Please see information below.

Sibling Photographs

A drop in service before and after school in the Junior Hall will be in place for you to bring your children who attend here at Churchfield and **younger siblings** to have a photograph taken.

Cold weather

Although it has been mild this week, we are due more cold weather this month. We will endeavour to de-ice the playground, as much as we can, first thing in the morning. However, we cannot do the whole playground in such a short amount of time so please ensure you take care when coming into school. Children need to walk on the playground, as we do not want anyone to fall over.

Wishing you all a lovely half term. We look forward to seeing you for more learning in Spring 2!

As always, if you have any questions, please contact us.

Best wishes,

The Senior Leadership Team
