Dear Parents and Carers,

We have had another wonderful term and the children have worked hard and had lots of fun. There have been lots of highlights: our Ivy Singalong, the dance festival performance, trips to the Science museum and the Greenwich meridian line, plus the very popular Chocolate Museum! There are too many to mention but we want to thank all parents and staff for your support in creating these opportunities for our children.

Dance Festival

Our children did us proud this week at the Enfield Dance Festival. They closed the show with their beautiful dance to the song "This is me," at the Millfield Theatre and received the longest applause of the night. Well done to everybody involved and especially Ms Dowling who choreographed the routine and taught the children to move so expressively.

Year 1 Phonics Practice

With the Phonics Screening Check approaching, it is really important that our Year 1 children practise reading over the Easter break. Please help your children by asking them: 'Special Friends, Fred Talk and read the word' before the read each word. This is how they will read words during the check.

Language Development

Lots of parents ask us how to help their children to develop their language. The third tip is here:

Responsibility

They thoroughly enjoyed their Easter Egg hunt yesterday.

Use simple, grammatical sentences - Young children benefit from hearing proper sentences (like "give it to Mummy" or "do you want a cookie?"), as opposed to sentences that have missing words (like "ta ta Mummy" or "baby want cookie?"). The grammar in sentences helps young children figure out what the words mean and how they are used together. (Published by The Hanen Centre)

St George's Day

We would love to see you wearing white or red (or both!) on the first day back if you would like to celebrate this national saint's day.

We wish all of our families a lovely holiday break.

As always, if you have any questions, please contact us.

Best wishes,

The Senior Leadership Team
