You will also be able to find key dates on our website <http://churchfield.school> as well as on our active Facebook page (Churchfield Primary School N9).

Follow us on Twitter- @Churchfieldsch

## Dear Parents and Carers,

Wow...what a busy week. Please remember that next week is our last week and we break up for half term on Friday 14th February at 3:15pm.

## Parent Engagement Panel (P.E.P.)

We had our first P.E.P. meeting on Friday; it was a great success!

Parents and school learnt even more about how P.E.P. can support in trying to make much needed changes to lives. They not only support

housing and benefit issues but can also help to show the Local Authority concerns around crime, worries about 'County Lines' and other drug issues in the community. Please come along to our next meeting on 28th February to see how the P.E.P. can help you to support your family.

## Extra swimming sessions for year 4:

Because year 4 have missed a session of swimming this year, they will each get an extra session. The dates are below:

Thursday 27th February 2020 - Kangaroo class.

Thursday 12th March 2020 - Zebra class

Thursday 19th March 2020 - Chameleon class

## Disability Confident Committed Employer:

We are proud to announce that we are now a Disability Confident Committed Employer, we have achieved this status by supporting employees with a disability or long term health condition allowing them to stay in work.

## Eco-Warriors.

The Eco-Warriors are excited to announce that all their hard work to create an eco-friendly school has been recognised with the Eco-School's 'Silver Award'. They would like to express thanks to everyone who took part in the 'no single use plastic water bottle' week in January, and hope that this will long continue!

Congratulations to Zara in 3 Jaguar Class who is the winner of the Eco-Warrior logo competition! Look out for her design coming soon on our Churchfield water bottles.

## Churchfield Unplugged!

Today we have had a whole day without using technology...what a breath of fresh air. Lots of hands-on, practical activities going on around the whole school.

In fact, the children told me (Miss Hall) off for taking this photo.

## Online safety:

On Wednesday, we had the online safety team presenting assemblies to children and training to staff/parents. One major concern that we need you to be aware of is that, **a large number of children admitted to taking photos of themselves, in their bedrooms, often in school uniform and uploading these onto social media without any adults being aware. This is extremely dangerous.**

PLEASE ASK YOUR CHILDREN WHAT THEY ARE DOING ONLINE.
