RESPECT

DETERMINATION

RESPECT

RESPONSIBILITY

KINDNESS

We have had another successful two weeks back at school. The children are now very used to the rules and routines and we are pleased with the learning that is happening across the school. Our Reception and Nursery children have settled really well into the school and are having lots of fun.

If you have any comments or questions, please do call the office to speak to a member of staff

## Values

Last year School Parliament said they would like our values to have mascots. We loved this idea and the animals in our farmyard were very keen to get involved. So we would like to introduce to you: Responsibility Rabbit, Determination Duck, The Kindness Kids, Respect Rooster and Olive the Honest Guinea Pig.

## Virtual meet the teacher

Your class teacher will send out details for a virtual meet the teacher session. They will add a Powerpoint that they have voiced over to Google Classroom and then will add details of an interactive session later on that you can join if you have any questions.

## Streaming songs

Many songs that children listen to, unfortunately, have very adult lyrics that are not suitable for children.

Did you know that you can **filter** songs on the popular streaming sites such as Spotify, Deezer, Apple Music, Amazon Music, Napster etc.

## Communication with teachers

We need to make a plea to parents and carers at pick up and drop off not to try to have a discussion with the class teacher at the door. This can make it very congested and it can be difficult for teachers to communicate from 2 metres away. If you need to speak to them, please call or email the office to arrange an appointment or leave a message. We are really sorry that we can't do things the way we used to- but we have to make health and safety a priority as we know you are keen for us to do.

If you are not sure what to do then google the search term, 'turn off explicit content (insert name of streaming service)'. If you are still unsure please speak to Mrs Jaeggi who will try to help.

### School Parliament

Our School Parliament gives children at Churchfield Primary school a 'voice'. They are given the opportunity to share their opinions and ideas on things that matter to them. These suggestions will be discussed at regular School Parliament meetings led by Miss Errol. The School Parliament will feedback from these meetings to their class and support actions for change. We are selecting new members for our School Parliament next week for years 2-6.. If your child would like to be the representative for their class they would need to write a short speech to present. More information about has been shared on Google Classroom.

### Go Green for Felix

The Felix Project have been a lifeline to our community and now is our chance to say thank you. All you have to do is donate £1 on Friday 16<sup>th</sup> October and wear green all day.

### SPRING curriculum

Curriculum maps are on Google Classroom and will be added to our website very soon.

### NHS covid-19 app

The NHS have developed a new Covid 19 app that they are asking all adults to download. It will tell you what to do if you have symptoms and let you know how long you and members of your household need to self-isolate for. Please remember to inform us if you have been contacted by Track and Trace.

### Friendship

In Year 5, we have been learning about friendships. We role played scenarios where we might argue with one another and considered ways of repairing them. The children said, you might: compromise, take your time before you speak and put your problem in perspective. We loved seeing them be so creative and solution focused! Well done!

Reception counting  
It has been great to see Reception's home learning on Facebook. They had the challenge to collect materials and then count how many altogether. We have been so impressed with how well they have been counting, but also that they are trying, even when it is hard.
